FIRST® LEGO LEAGUE STATE TOURNAMENT

What: First® Lego League State Tournament
Experience a competitive, robotic tournament that will amaze you!
Imagine more than 450 kids, 500 family members, referees, judges,
and tournament volunteers all cheering for their favorite team!

When: Saturday, December 11, 2004
8 a.m. until 4 p.m.
(Best time for photos: 11:30 a.m. until 4 p.m.)

Where: Gates Sports Center
Indiana University Purdue University Fort Wayne

Why: First® Lego League is an international program for 9 to 14 year-olds that engages them in authentic scientific research and hands-on robotics design. Tournaments all over the world are designed to help kids learn about computers, robots, teamwork, and the engineering process.

Sponsors: IPFW School of Engineering, Technology and Computer Science and ITT Industries
