

# Honor Statement Form

As an entrant in the Northeast Indiana Engineers Week Bridge Contest at Purdue University Fort Wayne, I affirm that I've read and complied with the rules of the contest. The bridge I/We present for testing was built by me/my team and it adheres to contest rules as described in the Engineers Week Bridge Contest Rules document; in particular, regarding the use of only wood glue and a maximum of 200 Popsicle® sticks.

The teacher/mentor listed (if applicable) acted only as an advisor to the project and did not actively build or design the bridge.

I entered the contest as  an individual  a team member.
