HOW OFTEN DO YOU PLAY WITH LEGOS?

Cheering, excitement, and concessions are all part of competitive sports but imagine 300 kids, 500 family members, volunteer referees, judges and tournament helpers all cheering for their favorite robots! Indiana University Purdue University Fort Wayne (IPFW) and ITT Industries invite you to experience FIRST Lego® League, a competitive, robotic tournament that will amaze you! The state tournament is scheduled for Saturday, December 10, 2005, from 8 a.m. until 4 p.m., at Gates Sports Center on the IPFW campus.

Teams are made up of four to ten kids, ages 9 through 14, who are interested in learning about computers, robots, teamwork and the engineering process! For anyone interested in forming a team, learn more about FIRST Lego® League by checking out the following websites:
