

## **SUMMARY OF THE 3 IMPORTANT REGISTRATION STEPS**

**Registration Step 1 (May-Sept):** Register your team with the national FLL organization (team registrations will be accepted until all slots are filled; this usually happens sometime after mid-September) before registering for any tournaments

First, you must visit the national organization's website <https://gofll.usfirst.org/> to officially register your team with FLL. You will need a valid email address and will create a password to access your account. The national registration period starts May 1 until all slots are filled; this usually happens sometime after mid-September

**Registration Step 2 (October):** Register your team to attend an Indiana Qualifying Tournament in your area

You should visit the Indiana Tournament website [www.etcs.ipfw.edu/fll](http://www.etcs.ipfw.edu/fll) and register your team to compete in a Qualifying Tournament. There are six tournaments to choose from across the state. Indiana Qualifying Tournament registration lasts from October 12, 2009 (7:30 a.m. EDT) to October 16, 2009 (5 p.m. EDT).

**Registration Step 3 (Nov-Dec):** Register your team for the Indiana Championship Tournament

If your team advances from a QT, you must confirm your intention to compete at the Championship Tournament within 24 hours of advancing. Qualifying teams will be given a letter at their QT with instructions on how to confirm.
